

REMARKS

Applicants undersigned representative thanks the Examiner for the telephone interview of March 9, 2007, in which the proposed amendments to the claims and the Office Action dated February 27, 2007, were discussed.

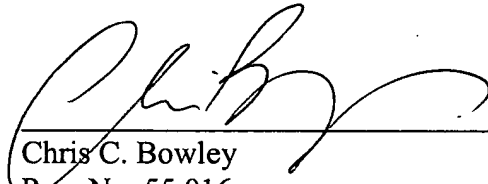

Applicants have amended claims 17, 25, 26, 31, 35, 39-41, and 45-54. Accordingly, claims 5-6, 13, 17, 21, 25-26, 31, 35, 39-41, and 45-54 are presented. Applicants note that the amendment to claim 45 is different from the amendment to this claim previously submitted on January 12, 2007. In particular, applicants inadvertently deleted the limitation directed to "non-rotationally symmetric" cooling from this claim in the amendment filed on January 12, 2007. This limitation is included in the amended claim presented in this communication.

Applicants submit that the claim status identifiers are correct and ask that all claims be examined in view of the amendment to the claims.

Please apply any charges or credits to deposit account 06-1050.

Respectfully submitted,

Date: March 15, 2007

Chris C. Bowley
